

Republicans' Health Care Freedom for Patients Act: Making Health Care Affordable Again

Republicans want to empower patients instead of insurance companies.
Democrats want to prop up a broken system.

Republicans' Plan Would Lower Health Care Costs

- ✓ *Sends money to patients instead of insurance companies*
- ✓ *Empowers patients to control their own health care*
- ✓ *Saves taxpayer dollars and is fully funded*
- ✓ *Expands Health Savings Account (HSA) eligibility*
- ✓ *Lowers insurance premiums by 11%*
- ✓ *Prevents states from providing health care coverage to illegal aliens*
- ✓ *Bans use of Medicaid funding for gender transition surgeries*

Democrats' Proposal Would Fund Waste, Fraud, and Abuse

- ✗ *Forces taxpayers to pay for pandemic-era subsidies riddled with waste, fraud, and abuse*
- ✗ *Costs taxpayers \$83 billion*
- ✗ *Lines the pockets of insurance companies*
- ✗ *Limits choices for the American people*
- ✗ *Allows federal dollars to fund abortion*
- ✗ *Steamrolls a path to government-run health care*
- ✗ *Lowers competition in the marketplace*
